**Southern Traditional Tasmanian Aboriginal Elders Council**

ELDERS FOR THE LIA POOTAH PEOPLE COMMUNITY

## **LET US EXPLAIN WHY YOU ARE RECEIVING THIS LETTER**

The call for people to place their names on the Tasmanian Aboriginal electoral roll to vote in the Lands Council Election has become a farce and a democratic nonentity.

A panel constructed

A predetermined agenda saw eligibility acceptable only to those who set the guidelines and formed the definition of Aboriginality.

Ministerial and Supreme Court judgements were ignored.

Yours sincerely
